15. The new building costs Rs 30,000 and it is said that it would require alterations before it can be made comfortable for travellers. In the course of a casual talk at Mysore Mr Meiza mentioned to me that the improvements may cost about Rs 15,000 more, though the question has not yet been gone into in detail. Thus the new building will cost in all about Rs 45,000 though we are immediately called upon to find Rs 30,000 only.

16. There is at present a surplus of Rs 4,575 at the credit of the chatram. The sale proceeds of the old chatram which is estimated to fetch Rs 3,000 might be available immediately. Omitting this amount a sum of Rs 25,425 will have to be found.

17. In connection with the General Mayoral fund I have prepared a statement of balances of all chatrams with a surplus of more than Rs 1000

al this credit and a Statement is put up showing how it is recommended that a portion of these Surpluses may be funded and the interest spent upon objects of general concern to them in the Districts. In all Rs 2,17,83 has proposed to be so funded. A moiety of this sum may be utilized for the purchase of the Dispensary

Should Rs 15,000 (Rupees) be utilized for purchase of Dispensary

18. This is the case about Rs 15,000 and I am afraid this sum will have to be found from State funds as a gratuitous aid. It does not seem to be correct to divert for the purpose any temple funds and as regards the Chatrams Surpluses, they are already low and after the present Subvention they will be lower still. I have not taken into consideration the case of Charities started at private instance though supported by Govt. endowments e.g. Damodar Das Charities and Mool Krishna Das Charities, each of which has some respectable Surpluses at its credit

Should the endowment-cases be funded from the State funds, they should not be dealt with by the Revenue Authorities

maintenance grants to Brahmans the charities themselves were started by private individuals and maintenance grants were granted to these individuals for the use of these charities. Thus the grantees are the founders of these charities, though the object of the grants is, the maintenance of charities. Hence it was considered that the Govt. had not to the same extent the right to utilize the surplus for purposes outside the scope of the original objects.

23. It is perhaps a distinction without a difference. However it is, in the case of Saundatti the charge there has been a failure of heirs and the Govt. have the sole management. About Rs. 15,000 will be necessary to execute some repairs to the temples in the village, to the temples and chatras at Bandihalli and for the construction of chatras at Hadagalli and Kaujgi. The balance of Rs 10,000 can be made available if such a diversion is considered unobjectionable.

We need not take the whole of this, if we can find a part for the Road N. 2 Dhanikas' temples — [illegible]

24. In the case of Nawal Kishore Das charities, the endowed villages are divided into 18 Vritis out of which only 3 are under the complete disposal of Govt. 12 of the Vritis belong to Brahmans and 3 to temples. The Temples were at present representing in part the accumulated arrears of income due to the Brahman Vrittidars, who have not yet complied with the condition to build Agrahar houses. Out of the 3 Vritis in Govt. disposal, 2 belong to a chattram which is no longer in existence and one to a Jajamanika. The income due to these will probably amount to 8 or 9 thousand. Out of this amount I had intended to propose a chattram at Melur when the feeding is now conducted in a hired building, as this would in part answer the purpose of the original donor. In this case though there have been no heirs, the existing heir here included the villages to the management of Govt. in 1892

The arrears income derived from these wells may be utilised in part, by Bhishti Jobbers.

This can wait.

My dear Col. Vindeswari Prasad,

With reference to Mr. Lalit Behari Sen Roy's letter to me dated the 8th February 1919 of which a copy is enclosed for facility of reference, I am desired by my Maharaja to express his warm thanks to His Highness the Maharaja of Benares for consenting to sell the Chattram and Ghat referred to in Mr. Sen's letter to His Highness for Rs. 30,000/-. Would you kindly let me know if you will obtain the permission of the United Provinces Government to the transfer of the property to the Mysore State or whether you wish us to do so, assuming that such permission is necessary ?

Also, I shall be obliged if you will kindly let me know if you could help us in selling the existing Chattram belonging to our State.

Thanks for your letter of the 14th March 1919. As Mysore State shall be the purchaser of the property, it will be proper for you to apply to the Government and obtain the necessa permission. Kindly arrange this.

As regards the sale of the present Chattram of Mysore at Benares I am making enquiries and will let you know as soon a I receive offers for the same.

My dear Col. Vindeswar Prasad

Many thanks for your letter dated the 21st Instant. As suggested therein, we are applying to the United Provinces Government for the grant of necessary permission and I shall write to you again on receipt of a reply from them.

NOTE REGARDING MYSORE CHATTRAM AT BENARES.

present Chattram maintained by the State at Benares is situated in a very crowded part of the city. It is an impossibility almost for a visitor to Benares to find its whereabouts and it cannot therefore be as useful as it would have been if it was situated in a more prominent or convenient place. There can be no question as to the usefulness of a Chattram at Benares, to travellers from Mysore, but a Chattram like the present one, might as well not exist.

I made enquiries during our last visit to Benares if a more convenient building was available and I am glad to say I was able to find one righton the bank of the river and in a locality inhabited by people from South India. The building of which a plan is enclosed, belongs to His Highness the Maharaja of Benares who is prepared to dispose of it to His Highness for Rs. 30,000/- The price seems very reasonable and His Highness would be glad if arrangements can be made to purchase it after obtaining necessary permission from the Government of the United Provinces through the Residency.

The building is an old one and requires alterations before it can be made really confortable for visitors. I am writing to the Chief Secretary to His Highness the Maharaja of Benares telling him that His Highness will be very pleased to take over the property for Rs. 30,000/- and asking him whether it is necessary for us to apply for permission to the Government of the United Provinces for its transfer to us, or whether they could take the necessary action themselves.

It seems unnecessary to retain the present Chattram in addition to the new building which ~~is~~ we propose to acquire and it would be better to dispose of it. The Chief Secretary to His Highness the Maharaja of Benares would be glad to help us in selling this property. I am writing to him on this subject also.

I am directed to state that a chatram at Benares was established by H.H. the late Maharaja Krishna Raja Wadeyar Bahadur, III, for the spiritual benefit of his deceased step-mother in the year 1822 at an annual expenditure of Rs.2883-3-3 for the convenience of ~~the travelling public~~ pilgrims. ~~As the lane in which the~~ chattram ~~stands~~ is however situated in an insanitary and obscure locality and the building does not afford the usual conveniences & comfortable lodgings to ~~travellers~~ pilgrims from Mysore and other parts of India and His Highness the Maharaja has decided ~~to transfer~~ that the institution should be transferred to a more suitable place. A building at Hanumanghat, Benares, has been accordingly selected. ~~A plan of this building is enclosed for reference.~~ A site It is ascertained that the building belongs to H.H. the Maharaja of Benares and that His Highness has no objection to its sale to the Mysore Government for a sum of Rs.30,000.

2 As the Government of His Highness the Maharaja of Mysore ~~have decided to purchase~~ are desirous of purchasing the property referred to above, I am directed to request you to kindly obtain the permission of the Government of the United Provinces for the transaction. After the new building is purchased, ~~the present building~~ it is intended to dispose of the present building.
